13 February 2020

Dear Regional Swimming Presidents,

Please take note that the venue for Region 2: North West, Northern Cape, Free State, Central Gauteng, Sedibeng, West Rand has changed.

The Level 2 – Region 2 Championship has been moved from Rustenburg to Potchefstroom.

The North West Swimming Executive committee has made the decision to change the venue to **Potchefstroom.**

Due to the venue provider not able to provide North West Swimming with the guarantee that the pool will be in a safe environment and water quality, we have unfortunately had to change venue to Potchefstroom.

Changing venues before the event was not 100% our own choice, but as preparations went underway, increasing restrictions and restraints made it clear we just couldn't create the swimming experience that we wanted and which every swimmer deserves. We believe this change of venue will only affect the quality of the event in a positive way.

North West Swimming guarantees all participants and visitors that the decision was not taken lightly but we had to take the safety of every swimmer into consideration.

North West Swimming wholeheartedly apologizes for any inconvenience that this move may cause, but we assure our attendees that it is all with their best interests in mind.

Xavier Palmer

President North West Swimming
